

BIONIC BRUINS PRESENT:

BLU'S HACKS

FULL DAY SPRING HACKATHON ORGANIZED BY STUDENTS, FOR STUDENTS

WHO WE ARE

We are a team of students from Branham High School's Robotics club, Bionic Bruins, and Computer Science clubs continuing our school's annual hackathon for the fifth year. We view hackathons as an opportunity to connect like minded high schoolers in San Jose and teach students directly applicable skills in our workshops.

AT BLU'S HACKS, WE...

WELCOME

43%

of our participants last year reported that our event was their first formal hackathon

EDUCATE

Last year, we offered

5 WORKSHOPS

of different topics, such as HTML/CSS, Flask & Intro to Python

CONNECT

Over 80+ participants from 12 different schools
